Meeting Date: March 15, 2017 **Time Required:**

Agenda:

Background Information: Title X grant funds are federal funds that require approval by the governing board to accept those funds and also to sign and submit a Conflict of Interest statement. The stated conflict of interest is defined in the document as an employee, volunteer, consultant, or member of a governing or advisory body is in a position to influence a decision that may result in personal monetary or other gain for that person or a relative as a result of business dealing. The signed documents are kept on site at the clinic for site visit review. For Douglas County Community Health that record includes statements signed by all clinic staff, Social Services Manager, and the Health Officer
